

Big Ears Are The Best

**"My dear brothers and sisters, take note of this:
Everyone should be quick to listen, slow to speak..."**

James 1:19 (NIV)

**How well you listen has a major impact on your entire life!
We listen to obtain information. We listen to understand.
We listen for enjoyment. We listen to learn.**

**Here are five active listening techniques you can use to
help you become a more effective listener:**

- 1. Pay Attention - Give the speaker as much attention as you can and acknowledge their message.**
- 2. Show That You're Listening - Use your own body language, gestures, and responses to show that you are engaged.**
- 3. Provide Feedback - Ask clarifying questions or inject comments as needed.**
- 4. Defer Judgment - Show consideration for the other person's interests, ideas, and perspectives.**
- 5. Respond Appropriately - Respond to others as you would like them to respond to you.**

**THINK DEEPER ABOUT:
THE CHURCH**

Have we misunderstood the church?

"Church" isn't a building.
It isn't even an event on Sunday.
So what is it? What did God intend for the
church to be? And how do we become
God's version of church rather than man's?
Join us for a weekend seminar as we *Think
Deeper* about the church!
